A Community Service Initiative

HONOREES

Ms. Ouisa Davis

Ms. Davis has been a community activist all her life. She has helped immigrants, the elderly, children of broken homes, and divorced and abused mothers who must navigate the cumbersome legal system. A graduate of Eastwood High School, she obtained her BA from UTEP in music and ballet, and her Doctorate of Jurisprudence from the U. of Denver College of Law.

Mr. Woody Hunt

Mr. Hunt graduated from Ysleta High School at age 16 and enrolled at UTEP the following year. He transferred to UT Austin, where he obtained his BA Degree in Finance – graduating with Honors. He subsequently received his Master's Degree in Business. During this time, he maintained his ties to the Hunt Building Corporation, the family business started by his father, Jack L. Hunt, in 1947.

Dr. Carlos Gutierrez

Dr. Gutierrez has practiced medicine in our community for over thirty years. Upon completing his medical training, this native El Pasoan chose to return home where he knew that a third of his future patients would be uninsured and most would be enrolled in government sponsored programs for low-income families. Early in his career, he found his calling - to meet the medical needs of children.

Pastors Charles & Rochelle Nieman

Abundant Living Faith Center

Pastors Charles and Rochelle Nieman, began their life's work in 1977 with only twenty people and today they lead a congregation of 15,000 members. Pastor Nieman was born in El Paso, graduated from Ysleta HS, and then attended UTEP. Ms. Rochelle Nieman was born in Raton, NM and graduated from UTEP with a degree in Education.
